

President's AGM talk on 26th May on Zoom

Good evening and thank-you for joining us.

We welcome your support in these challenging times.

Well, what an eventful year-end?

We have built on the brilliant start to 2019 that the signing of the much awaited Memorandum of Understanding, with the Health Board and County Council. We are now looking forward to the signing of Terms of Reference to enable us to raise funds to have even more closer working for our community. For example, a Bronllys Hospital Centenary Project: The Well Being Measured Mile Walk.

In the autumn, we shared The Vision Drawings for the Bronllys Well Being Park proposals with over 100 members of our Community. In these "Have your Say" events in Hay, Talgarth and twice in Bronllys, we checked that the proposals met with our communities' approval. The support was unanimous.Their many comments and suggestions will be included in the soon to be updated "Vision for Bronllys WB Park Now" document.

Looking forward to After the Lock-Down; in the New Normal, we plan to stage with others a Health and Wellbeing Festival next autumn. There we hope that the new Well Being Community Radio can have a starring role.

In closing, I want to thank all our supporters the old, the new and those yet to join with us for all their hard work towards creating something amazing and beneficial in our own backyard.

The Bronllys Well Being Park, and what it offers will be even more valuable to our Communities' post revival recovery.

Thank you for your support.

Lydia Powell 26/5/20
