

Wording of the 3,122 signature petition presented to Welsh Government on the 4th December 2012.

“We call upon the National Assembly for Wales to urge the Welsh Government to reject any attempt by the Powys Teaching Health Board to asset-strip the Bronllys Community hospital by closing or moving its Stroke Unit, nor by placing new services or service facilities for the region elsewhere and rather to instruct the Health Board to devise a strategy to build or re-build, improve and/or extend this NHS Hospital’s facilities, and services and resource expertise; and to retain and re-build this valuable community asset as a centre of excellence.

We further call upon the National Assembly for Wales to urge the Welsh Government to instruct the Health Board to place Bronllys Hospital at the centre of its strategy for the provision of adult and older people’s health services in South East Powys for the next 50 years, and to release the necessary resources to make this happen.”
